COMPLAINT

Plaintiffs, the separate and individual Boards of Trustees of the Sheet Metal Workers' National Pension Fund ("NPF"), the International Training Institute for the Sheet Metal and Air Conditioning Industry ("ITI"), the Sheet Metal Workers' Occupational Health Institute Trust ("SMOHIT"), and the National Energy Management Institute Committee ("NEMIC" and together with NPF, ITI, and SMOHIT, referred to as "the Funds"), hereby complain as follows:

Introduction

1. This is a civil action brought by employee benefit plans/trust funds or joint labor management organizations, and by the Trustees of the Funds, pursuant to Sections 502(a)(3), (d)(1), (g)(2) and 515 of the Employee Retirement Income Security Act of 1974, *as amended* (“ERISA”), 29 U.S.C. §§ 1132(a)(3), (d)(1), (g)(2), and 1145, and Section 301(a) of the Labor Management Relations Act of 1947, *as amended* (“LMRA”), 29 U.S.C. § 185. The Funds seek a monetary judgment against Defendant awarding delinquent contributions, accrued interest, liquidated damages, late fees, and attorneys’ fees and costs, through the date of judgment, as well as those amounts that become due and owing through the date of judgment, pursuant to Sections 502 and 515 of ERISA, 29 U.S.C. §§ 1132 and 1145, Section 301 of the LMRA, 29 U.S.C. § 185, the collective bargaining agreement, and the Trust Documents governing the Funds.

Jurisdiction and Venue

2. Jurisdiction is conferred upon this Court by Sections 502(e) and (f) of ERISA, 29 U.S.C. §§ 1132(e) and (f), and Section 301(c) of the LMRA, 29 U.S.C. § 185(c). Jurisdiction also lies under 28 U.S.C. § 1331.

3. Venue is also properly laid in this district because it is here that Defendant breached the relevant provisions of the collective bargaining agreement, and consequentially violated Section 515 of ERISA, 29 U.S.C. § 1145, because it is within this district that the relevant provisions of the collective bargaining agreement are required to be performed.

11. Upon information and belief, Airdronic has been incorporated in the state of Illinois with a principal place of business at 801 First Avenue, Rochelle, IL 61068. As of January 13, 2017, Airdronic dissolved its corporate form, but upon information and belief, has continued to operate despite its dissolved status at 7309 E. Grist Mill Drive, Chana, IL 61015. The dissolution does not impair the civil remedy available to the Funds against the Defendant corporation in its corporate name. *See* 805 Ill. Comp. Stat. 5/12.80 (2015).

Factual Background

12. At all times relevant to this action, Airdronic employed an employee represented for the purposes of collective bargaining by the Sheet Metal, Air, Rail and Transportation Union (formerly known as the Sheet Metal Workers’ International Association), Local Union No. 219 (the “Union” or “Local”), labor organizations representing employees in an industry affecting interstate commerce.

13. At all times relevant to this action, Airdronic was signatory to, and bound by, a collective bargaining agreement (“Agreement” or “CBA”) with the Local. Pursuant to the

Agreement with the Local, Defendant is obligated to submit monthly remittance reports and fringe benefit contributions to NPF, ITI, SMOHIT, and NEMIC for all hours worked or paid on behalf of Defendant's covered employees within the jurisdiction of Local 219.

14. Pursuant to the Agreement, Defendant is obligated to abide by the terms and conditions of the Trust Agreements establishing the Funds, including any amendments thereto and policies and procedures adopted by the Boards of Trustees ("Trust Documents").

15. Payments due to the Funds are calculated separately for each Fund on remittance reports required to be prepared monthly by each contributing employer. This is a self-reporting system and the Funds rely on the honesty and accuracy of the employers in reporting hours worked and paid, and in reporting the contributions owed for work by employees.

16. Without the information contained in the remittance reports, the Funds cannot determine the entire amount of the monthly contributions due to the Funds or the employees' eligibility for benefits.

17. The completed remittance reports and accompanying contribution payments must be submitted to the Funds no later than the twentieth (20th) day after the end of each month during which covered work was performed and are delinquent if received thereafter ("Due Date").

18. Pursuant to Sections 502 and 515 of ERISA, 29 U.S.C. §§ 1132 and 1145, the Agreement, the Trust Documents, and Section 301 of the LMRA, 29 U.S.C. § 185, if Defendant fails to timely submit the contractually required remittance reports and contribution payments, and the Funds file a lawsuit to recover the unpaid contributions, Defendant is required to pay the following amounts to the Funds:

a. Interest on the delinquent contributions at a rate of 0.0233% per day, compounded daily;

- b. Liquidated damages equal to the greater of: fifty dollars (\$50.00) or ten percent (10%) of the contributions due for each month of contributions that the Company fails to pay within 30 days after the due date, but pays before any lawsuit is filed;
- c. Liquidated damages equal to the greater of interest on the delinquent contributions at the above rate or liquidated damages equal to twenty percent (20%) of the delinquent contributions owed upon commencement of litigation; and
- d. The attorneys' fees and costs incurred by the Funds in pursuing the delinquent amounts, including the attorneys' fees and costs in this action.

19. For the months of May 2018 through the present, Airdronic employed an employee within the jurisdiction of Local 219 for whom contributions were owed to the Funds and failed to timely make all the required contributions, despite its obligation to do so under the Agreement, Trust Documents, Section 515 of ERISA, 29 U.S.C. § 1145, and Section 301 of the LMRA, 29 U.S.C. § 185.

Count I

*Delinquent Contributions, Liquidated Damages, Interest, Late Fees,
and Attorneys' Fees and Costs Owed*

- 20. Plaintiffs reallege and incorporate Paragraphs 1 through 19.
- 21. This claim arises under Sections 502(a)(3) and 515 of ERISA, 29 U.S.C. §§ 1132(a)(3) and 1145, and Section 301 of the LMRA, 29 U.S.C. § 185.
- 22. Airdronic is obligated, under the terms of the Agreement, to provide contributions to the Funds on behalf of its covered employees. Airdronic has failed and refused to fulfill its contractual obligations for owed contributions, resulting interest, and liquidated damages for the period of May 2018 through December 2018. While contributions remain unpaid, interest continues to accrue on these delinquent contributions pursuant to the Funds' governing documents.

23. Based on the remittance reports prepared and submitted to the Funds by Airdronic for the months of May 2018 through December 2018, Airdronic owes contributions in the amount of \$10,618.33. In addition to the contribution amounts due, Airdronic owes \$531.61 in interest (through February 15, 2019), and \$2,123.66 in liquidated damages.

24. For the month of May 2018, Airdronic paid late a portion of the contributions due. Accordingly, Airdronic also owes \$134.91 in late fees for this month.

25. The total amount owed by Airdronic for the period of May 2018 through December 2018 is \$13,408.51, plus additional daily interest accruing through the date of payment.

26. Under Section 502(g) of ERISA, 29 U.S.C. § 1132(g), Plaintiffs are entitled to recover all costs of this action from Defendant, including reasonable attorneys' fees and court costs.

27. Prior to commencing this lawsuit, the Funds sent letters and attempted to directly contact Airdronic to obtain the outstanding contributions and reports from Defendant. Defendant has not responded to the Funds' correspondence.

28. Defendant's continued failure to pay the amounts due have caused irreparable harm to the plan participants in the form of loss of earnings and expenses of the Funds, endangered the eligibility of covered members' pension benefits, and other harm. Defendant's failure and refusal to comply with its obligations creates an atmosphere in the industry that encourages other employers to do the same

WHEREFORE, Plaintiffs request a judgment against Defendant for all amounts and reports due to the Funds as follows:

1. Declare that Airdronic is delinquent in remitting owed contributions to the Funds pursuant to the Agreement;

2. Award Plaintiffs on behalf of the Funds a judgment for Defendant's delinquent contributions for the period of May 2018 through December 2018 in the total amount of \$10,618.33;

3. Enter judgment against Defendant for interest on all delinquent contributions at a rate of 0.0233% per day, compounded daily, from the date due until the date paid or the date of the judgment in the amount of at least \$531.61;

4. Enter judgment against Defendant for liquidated damages in an amount equal to the greater of interest on the delinquent contributions calculated at the above rate, or 20% of the delinquent contributions in the amount of \$2,123.66;

5. Enter judgment against Defendant for Late fees equal to the greater of fifty dollars (\$50.00) or ten percent (10%) of the contributions due for each month of contributions paid after the Due Date in the amount of \$134.91 for the month of May 2018;

6. Enter judgment for all attorneys' fees and costs incurred by the Funds in pursuing the delinquent amounts as provided by Section 502(g) of ERISA; and

7. Award such other relief as the Court deems just and proper.

Respectfully Submitted,
